PROFILE

All coursework completed for a BSc in Computer Science (Sofia University, FMI; degree 2027). With AI tools I build working web applications, a live site for a real company, scheduled automations and interactive training. I learn fast, write clearly and check the result. Looking for a role where AI is part of the work and there is room to grow.

EDUCATION

BSc, Computer Science 2022–2027

Sofia University, Faculty of Mathematics & Informatics · all coursework completed

91st German Language High School, Sofia 2017–2022

Diploma GPA 5.80 / 6.00

EXPERIENCE

Written Support Specialist · TELUS International Aug 2023 – Feb 2024

Written player support (game support) in English and German.

SELECTED PROJECTS

Disciplis · disciplis.com — Live full-stack app (trading journal): 17 PostgreSQL models, authentication, dashboards, CSV import and normalisation from five platforms.

Binko · binko.bg — Website for a vending-machine company: Astro on Cloudflare, site-visit request form, local SEO; live on the company's own domain.

AutoSilas · autosilas.com — Own business idea of websites for dental clinics: WordPress site and an AI enquiry chat (Cloudflare Workers), live on three sites, leads to Google Sheets and email.

AI agents — 10+ scheduled Claude agents (finding and filtering job listings, processing email, weekly reports in Notion), with clear instructions and checks on the output.

E-learning module (demo) · elearning-demo-pi.vercel.app — Interactive training built from a company's script: AI voice-over, video background, questions with feedback; SCORM 1.2, tested in SCORM Cloud.

SKILLS

AI & automation: Claude Code, ChatGPT, MCP, APIs/webhooks, browser automation, prompts and system instructions

Technical: Python (basic); with AI assistants (Claude Code, Codex) I build in TypeScript/Next.js, React, Astro, Supabase, Cloudflare, Git/GitHub

Office: Excel and Google Sheets (basic), Notion, writing documentation and instructions

Personal: Logical and critical thinking, attention to detail, independence, fast learning, ownership, teamwork

LANGUAGES

Bulgarian (native) · English (C1+) · German (B2, written) · French (A2)
